# Information About the Health Insurance Marketplace

## Getting Started

You can apply for Marketplace coverage several ways: online, by phone, or in-person with the help of a Navigator. Telephone help and online chat are available 24/7 at (800) 318-2596 or at [www.healthcare.gov](http://www.healthcare.gov).

## Explore Your Options

If you have employer-based health insurance you like, you can keep it. You may be able to change to Marketplace if you want to. If your employer does not currently offer coverage, you can ask if it plans to offer health insurance. If not, you may need to get insurance through the Marketplace or from another source, or you could have to pay a fine.
